

Manzini

Eswatini

This information was confirmed by ACCP in May 2024.

2017
Total
population

1,200,000

Manzini (formerly known as Bremersdorp) is a large city in Eswatini, which is also the city of Eswatini's Manzini Region. The city is the country's second largest urban center behind the capital Mbabane, with a population of 110,000 (2008). It is known as "The Hub" of Eswatini and lies on the MR3 road. Eswatini's primary industrial site at Matsapha lies near the town's western border.
